

May 26th-May 29th
ROTARY YOUTH
LEADERSHIP AWARD

Greetings Fellow Rotarians,

We're pleased and excited to announce the 2022 *Rotary Youth Leadership Camp* for district 6910. The camp will take place **May 26th-May 29th** at the Tallulah Falls School in beautiful Tallulah Falls, Georgia. We will play host to rising sophomores, juniors and seniors that are interested in a four-day leadership event. The camp will include team building activities such as whitewater rafting and ropes course, guest speakers, leadership training and an opportunity to build lifelong friendships with fellow students.

We expect to have 80 kids from across the district and want to encourage clubs to complete their commitment forms by **April 1st**, space is limited. This year we have rolled out some improvements to the application process to make it easier for all clubs to participate. All required documents can now be accessed and completed on our *RYLA* website, www.ryla6910.com. **STUDENT APPLICATIONS ARE DUE APRIL 30th, 2022!**

We look forward to another successful *RYLA* year and want to thank all the clubs for their continued support.

Many Thanks,

Jeremy Echuck and
District 6910 RYLA Team
